Depend on Machine Guns. Paris, May 9 .- The latest assault of the Germans on the defenses of Verdun have served to demonstrate the high pitch of efficiency to which the French have brought the use of the machine guo. The French front line trenches are being defended by machine gons with comparatively few men to serve them, and with the addiwhich are equivalent to one machin

Chicago overrant for there is lower, but the liberal supplies around the market circle today are regarded as a temporary condition, and expectation for tomorrow is for a light run and stronger prices. Indications point to heavy steers getting into the specialty class at an earlier date than usual this year. Last year no special advance was made on finished heavy steers till July. Hogs sold 5c lower today on receipts of 14000 head. The opening was 5 to 10 cents lower, but the bog market has a way of galaing strength all through each daily session, and the customary break in prices will be effectly this year, oving to the unusually strong demand on packers for all kinds of meats and product. Texas is producing more than twice as many hors this year as inst, which mas its effect in sunplying the Southern trade through Fort Worth, but the Southern trade through Fort Wo
